## **JACK JULIEN 30 YEARS OF SERVICE AWARD**

Jack Julien began his career with Monroe County in August 1975 under the CETA program. During his tenure with the County, he has held various positions such as Heavy Equipment Operator, Foreman II, Supervisor, and Administrator. He was promoted to his current position as Superintendent of Solid Waste Management in October of 1994.

Jack is an integral part of the Solid Waste Management team ensuring contract compliance with the Franchisees, scheduling and supervising operations such as Pollution Control and the transfer stations, and overseeing the maintenance of the closed landfills. His reliability, hard work and assistance in the aftermath of all of various hurricane events is immeasurable. Because of his knowledge, skills and abilities, he was previously Employee of the Month in March, 2003.

Jack is an asset to Public Works and Monroe County, and we are pleased to recognize him today for his 30+ years of dedicated service.
